You are our wellspring and omega point. Your spirit binds us together in respect, dignity and service, gathering our community and friends together in your name and of special events. Give us the grace to look beyond all division, but while we look to the future let us not forget the past. Show us the continuity of the past, the present and the future. Guide us to see the oneness to which all your people belong. We gather to extend the thread that binds together the past, the present and the future of our Parish and Parishioners. Help us to do our part in maintaining the continuity of your kingdom; we are a holy people of all generations.
